

**INTERNATIONAL FEDERATION OF LANDSCAPE ARCHITECTURE (IFLA) ASIA-PACIFIC LANDSCAPE  
ARCHITECTURE (LA) AWARD WINNERS & INAUGURAL LA LUMINARY AWARD NOMINATIONS  
TO BE RECOGNISED AND HONOURED AT THE IFLA ASIA PACIFIC CONGRESS BANGKOK 2017**

**Singapore, September 8, 2017** – International Federation of Landscape Architects (IFLA) Asia-Pacific Region will host its 10<sup>th</sup> IFLA Asia-Pac Landscape Architecture (LA) Awards and inaugural LA Luminary Awards Ceremony on 4 November 2017 at the IFLA Asia Pacific Congress 2017 at Bangkok Marriott Marquis Queen's Park.

The prestigious IFLA Asia-Pacific region Landscape Architecture Awards, now known as IFLA Asia-Pac LA Awards, aim to create continuous awareness and recognition of landscape architecture together with like-minded partners and other professions that have played a key role in shaping our cities and environment towards a better future.

The Federation received a total of 104 project entries from 50 landscape architecture firm from 10 countries namely Australia, China, Hong Kong, Japan, Korea, Malaysia, New Zealand, Singapore, Taiwan and Thailand, in nine categories, including Analysis & Master Planning, Communities, Cultural and Urban Landscape, Infrastructure, Lighting and Night Experience, Nature Conservation, Parks and Open Space, Residential and Skyrise Greenery. Entries were put through a rigorous two-stage judging process, namely the online juror stage, involving 11 presidents from respective Asia Pacific national associations, followed by the final juror stage, consisting of 5 regional IFLA presidents, as well as two special guest jury on the panel. A total of 84 awards will be given out, including:

- Outstanding Award: 20 Winners
- Award of Excellence: 28 Winners
- Honourable Mention: 36 Winners

In addition, IFLA Asia-Pacific region introduced the IFLA Asia-Pac LA Luminary Award 2017. It is IFLA Asia-Pacific's inaugural and highest honour accorded to its regional luminaries who have inspired and made significant contribution in protecting, championing, advocating, enhancing and/or sustaining the living environment and communities in their profession, region, countries or cities. The Federation received six nominations from three national associations, namely Korea, Singapore and Thailand, which

**IFLA ASIA-PACIFIC**  
INTERNATIONAL FEDERATION  
OF LANDSCAPE ARCHITECTS

have been recognised by International Federation of Landscape Architects (IFLA) as the honorary IFLA Asia-Pac LA Luminary and successfully endorsed by:

- Chief Evaluator, IFLA President Ms Kathryn Moore
- Five IFLA regional presidents from Americas, Africa, Asia-Pacific, Europe and Middle East region
- Two international representatives from International Federation of Housing & Planning and World Green Building Council.

The IFLA Asia-Pac LA Luminary Award will be held in conjunction with the IFLA Asia-Pac LA Awards on 4 November 2017 at the IFLA Asia Pacific Congress 2017 at Bangkok Marriott Marquis Queen's Park. Situated in the hyper-density of Bangkok, the 2017 IFLA APR congress will be the first landscape architectural event to focus on the potential for landscape architects within the Asia Pacific region to expand their role in determining the future of our cities and rural landscapes in the face of market-driven economic pressures, climate change, unprecedented urban population shifts, food security, and dwindling reserves for accessible public open spaces.

**IFLA ASIA-PACIFIC**  
INTERNATIONAL FEDERATION  
OF LANDSCAPE ARCHITECTS

### **About IFLA ASIA-PAC LA Awards**

IFLA Asia-Pacific region Landscape Architecture Awards, now known as **IFLA ASIA-PAC LA Awards** provide an international platform to showcase and promote the achievements and work of landscape architects in Asia-Pacific region. The prestigious awards aim to create continuous awareness and recognition of landscape architecture together with like-minded partners and other professions that have played a key role in shaping our cities and environment towards a better future.

### **About International Federation of Landscape Architects Asia Pacific Region (IFLA APR)**

The Asia Pacific Region is a part of the world that has been shaped by maritime journeys, vibrant cultural landscapes and economic innovation and is home to a diverse tapestry of landscape architecture traditions.

International Federation of Landscape Architects (IFLA) Asia-Pacific region is part of the larger network of IFLA consisting of member countries from regions within Africa, Americas, Asia-Pacific and Europe. We are connected to over 70 countries across the world and more than 100,000 extended professional members, students, industry partners and academia.

IFLA Asia Pacific Region is currently made up of member associations spread across fourteen countries representing a diverse array of cultures. The cultural landscapes of the Region hold at their core the history of our profession. The richness, diversity and sensitivity of contemporary landscape designs throughout this Region are testament to the extensive history and strong cultural stories and traditions that shape us.
